## CHART 1 FOOTNOTES

- 1 Permitted only in specified municipalities.
- 2 State allows cities or counties to offer financial aid for existing plant expansions. In Louisiana, state-financing aid is directly involved only in the case of those port authorities whose obligations are backed by the full faith and credit of the state.
- 3 Loan-loss reserves program which guarantees banks against losses for loans for building construction and equipment.
- 4 Authorized but none is active.
- 5 State-sponsored but privately operated nonprofit Regional Job Development Corporations may be established in low-income areas to provide loans to small businesses.
- 6 Louisiana Economic Development Corp. can participate in or guarantee loans to banks for small business or socially or economically disadvantaged persons unable to obtain assistance through traditional means.
- 7 Available only in incorporated municipalities.
- 8 Limited to state-designated Enterprise Zones and Rural and Urban Job Tax Credit areas.
- 9 Permitted for processing products of agriculture, including forestry and timber production.
- 10 Applies only to pollution-control equipment.
- 11 In several cities and counties statewide. In Texas, available only in cities and counties which levy a local sales tax for economic development.
- 12 Alabama offers site grants of up to \$150,000 to industries for grading of land and roads, plus drainage.
- 13 For public facilities only.
- 14 State and local program of participation in building construction.
- 15 Small business program.
- 16 For acquiring and developing sites.
- 17 In South Carolina, Regional Development Corporations can act as borrower for building, machinery and equipment loans with a credit-worthy lease from the company.
- 18 Iowa has a variety of financial assistance for industry. Assistance for projects may be used for site preparation, land, building construction or purchase, machinery and equipment and working capital. Forms of assistance are principal buydowns, interest buydowns, grants, forgivable loans, loans and loan guarantees, equity-like investments or cost reimbursement for technical/professional management services.
- 19 Louisiana Economic Development Corp. can match private investment in qualified venture-capital funds on a 1-to-2 basis up to \$5 million.
- 20 Florida has eight (8) Certified Development Corporations that offer federal SBA 504 program loans, including one statewide organization.
- 21 By special statute in specified communities.
- 22 Available in enterprise zones.
- 23 Under Georgia's bond allocation program, the Georgia Dept. of Community Affairs allocates IRB funds to communities.
- 24 Financing available through block grants and EDA funds administered by state through city/county revolving loan funds.
- 25 State Market Commission makes loans for buying, building and improving agri-industrial plants. Also provides loan guarantees and grants under LED programs.
- 26 Louisiana Economic Development Corp. (LEDC) makes loans for new and/or existing businesses, construction, land, equipment, machinery, etc. State Community Development Block Grant (CDBG) Program allows local governments to loan money for economic development.
- 27 Financing available through block grants administered by the state.
- 28 Capital access program in Milwaukee County.
- 29 Available only in "development zones" designated for economically distressed areas.
- 30 Available only in one city.
- 31 Through the Maryland Industrial and Commercial Redevelopment Fund, the state can lend money to a local jurisdiction to guarantee loans for equipment and machinery.
- 32 State set-aside for economic development private-activity bonds.
- 33 Only for child-care facilities.
- 34 Matching funds for infrastructure projects available through the Tennessee Industrial Infrastructure Program.
- 35 The Virginia Small Business Financing Authority offers intermediate-term loans under the Loan Guaranty Program.
- 36 Matching funds available through the Governor's Opportunity Fund grant program. Matching funds are provided for site development, site preparation, infrastructure improvements and other uses. The governor has final approval of the discretionary fund program.
- 37 Illinois Finance Authority has 85 percent loan guarantees available for agri-industries.
