

Directory of University Research & Science Parks

**ASSOCIATION OF
UNIVERSITY
RESEARCH
PARKS**

Thorough treatment of global technology centers would be incomplete without a directory of research and science parks to keep on hand. Therefore, Site Selection is pleased to present a directory of university research and science parks, courtesy of the Association of University Research Parks (AURP). These parks play critical roles in bringing together academia, private-sector investors and local economic developers to turn science into industry and research into job creation. Site Selection values its collaboration with AURP (www.aurp.net). — Editor

AUSTRALIA

Mr. Chuck Stone, Director
**Innovation Campus –
University of Wollongong**
Squires Way
North Wollongong, NSW 2522
