The biggest location challenge regions face is distinguishing themselves from competitors. All investment promotion agencies face this challenge, be they national, regional, state, municipal, or county-level. In-depth editorial coverage delivered directly to corporate executives actively searching for new global offices or facilities offers a powerful and effective way to stand apart from the competition.

That’s why hundreds of investment promotion agencies around the world have chosen Site Selection to deliver their message in a sponsored Investment Profile.

A Site Selection Investment Profile is a sponsored feature providing detailed editorial coverage of your region. Investment Profiles are linked in an issue of the Site Selection Dispatch weekly e-newsletter, as well as appearing on the siteselection.com home page for two weeks before being archived by region and target industries.

**INVESTMENT PROFILES INCLUDE:**

- Interviews with leading political leaders outlining your region’s competitive advantages and economic development strategy.
