“I want to thank the Nevada Legislature for its thorough and comprehensive review of this legislation. The Legislature has confirmed that this package is indeed in the best interest of our citizens and is good for Nevada.”

—Gov. Brian Sandoval, Sept. 11, 2014, upon signing legislation facilitating Tesla Motors' Gigafactory investment project in Nevada.

Legislative Update

The Nevada Legislature did not meet in 2014. However, in September, Gov. Brian Sandoval signed Assembly Bills 1, 2 and 3 and Senate Bill 1, legislation from the 28th Special Session, enabling Tesla Motors to proceed with building its advanced battery Gigafactory in Nevada.
