The **Ford Motor Company** announced a \$1.3-billion investment in the company's Kentucky Truck Plant (KTP) in Louisville. The expansion was the state's largest in 2015, in terms of investment, and will create 2,000 jobs. KTP will produce the all-new 2017 F-Series Super Duty truck using high-strength steel frames and light-weight aluminum alloy bodies. It includes a new body shop, facility upgrades and retooling for the new production line.
